ul. Strzyglowska 81

04-872 WARSAW, POLAND

under reference number **Th-8981/2/2022**

IS APPROVED

The instrument described in this decision can be submitted for first verification till 22 November 2032. The time restriction stated in this decision does not pertain to after-repair and periodic reverification of the instrument.

The validity of the verification corresponds to the validity period for these instruments operative at the date of the verification as stated in Appendix 2 of Government Decree (hereinafter: Gov. Decree) 127/1991 (X. 9.)

The verification of the measuring instrument shall be performed in compliance with verification regulation 'HE-26'. Fact of verification is proven by a legal mark placed on the measuring instrument (serial numbered holographic sticker) and a verification certificate.
